## **DIRECTOR'S CORNER.....To All Shareholders:**

### **The Board of Directors would like to remind Shareholders of the following rules:**

#### **Rule #10 (A) Securing Boats during absence**

All Shareholders are required to follow all Collier County Rules, Regulations and Guidelines.

#### **Rule # 10 (B)**

The Shareholder is responsible to either secure the boat and/or trailer under their carport or on their assigned boat space during off-season.

#### **Rule #10 (C)**

Note: Shareholders must remove tire blocks or any restraining material from their assigned boat rental lots (to facilitate grass mowing) when the space is vacated for the off-season.

#### **Rule #20 (D) Housekeeping**

Fruit trees must be picked clean of all fruit before a seasonal Shareholder departs for home. Unpicked fruit rots on the tree and falls to the ground. This attracts animals, insects and also impedes lawn maintenance. Management will enforce this rule with a notice to the Shareholder. If Shareholder cannot be contacted or fails to arrange for compliance to this rule, Management will initiate corrective action at the Shareholders expense.

#### **Rule #22 (B) Rain Shutoff Devices**

Irrigation Systems must conform to Collier County's Ordinance requiring "Rain Shutoff" devices in order to conserve water. During the "wet" season (June through September) automatically controlled sprinkler systems must be shut off.

#### **Rule #22 (C) Non-Compliance**

Any irrigation systems malfunctioning or without rain shutoff devices will be turned off until the owner conforms to Collier County ordinance and ESC policy.

#### **Rule #34 (A) Summer Storage**

Items under 100 lbs: Planters, lawn decorations, ornaments, bicycles and other items under 100 lbs. which may become projectiles in a severe windstorm must be stored and secured prior to unit owner's departure for over one (1) week in time, or from June through November (hurricane season).

#### **Rule #34 (B)**

RV/Boats parked on lots for the summer season must be anchored securely prior to Shareholder's departure for any length of time over one (1) week during June through November (hurricane season).

#### **Rule #34 (C)**

Driveways: No concrete blocks or similar device are to be used to prohibit driveway use or on roofs to secure hoods over skylights. Shareholders will be permitted to install anchored post with rope or chain barrier to accomplish a restriction to their driveway.

#### **Rule #34 (D)**

Weed Control in planters and flowerbeds surrounding the unit must be maintained during the Shareholder's absence. Arrangements for this operation are the Shareholder's responsibility.

#### **Rule #34 (E)**

Enforcement: The Manager will enforce with a notice to the Shareholder. If a Shareholder cannot be contacted or fails to arrange for the maintenance of flower beds, planters, etc., the Manager will initiate corrective action at the Shareholder's expense.

**The Manager will issue violation letters to all who do not comply and in addition, you may be fined.**

### **Thank You -Thank You - Thank You -Thank You**

We would like to thank all the Shareholders who supported and voted for us during the recent election. All of the Directors will continue to work for the betterment of ESC and actively participate in the success of our park.

**Bev Burnham, Carolyn Cobb, Bob May, and Kay Sherman**

## Managers Report.....

### **Correction to the February's Managers Report regarding Background Checks:**

Background checks are required; please allow 7-10 days for completion. All paperwork is available on-line for your renter. A Purchaser has a different application which includes the paperwork for a Background Check and is handled by the Realtor.

Please do not wash boats and cars at the Maintenance Building...wash at the boat washing area.

When returning borrowed items, please do so during the hours of 8:00 AM and 1:00 PM Monday-Friday.

### **Reminder.....The Second Quarter Maintenance Fees are due April 1<sup>st</sup>**

## CLUBHOUSE REPORT.....

By Carolyn Cobb

**LOCKING UP CLUBHOUSE:** We have had several times in the last month when the Clubhouse was not completely locked up - (Library door unlocked/Laundry room door not shut completely/front "wheelchair accessibility button not set/2<sup>nd</sup> Entrance door not locked). I will re-distribute the "Procedure" for Lock-Up to all Volunteers and Clubs/Groups/Activities that do lock-ups by the end of February 2011. The main door is a 3-step process and can be very confusing, so I will include in the "procedures", pictures of that door and the latch when it is to be "up" or "down".

**GARBAGE CANS & RECYCLE CANS:** These continue to be forgotten at times to be taken out by the groups/clubs/activities that have functions at our Clubhouse. Please designate "someone" from each group to do this on Wednesday & Sunday evenings (after 6:00 pm). Please DO NOT BLOCK the Handicap parking space when setting all cans out. On Feb. 10<sup>th</sup> a resident tried to park in the Handicap parking space by the Laundry room and could not due to the cans placed in that parking space. Also, we have had "garbage" put in the Recycle Cans that our Maintenance Man has to hose & clean after pick-up. Please watch that these receptacles are used according to guidelines. WE ARE MISSING A COUPLE OF LARGE GARBAGE CANS - it is OK to borrow these cans, but they need to be returned.

## From the Board of Directors....

The board of directors wishes to acknowledge all ESC clubs/groups/activities that continue to provide us with wonderful entertainment and fun activities that contribute to our enjoyment in our retirement years.

The total amount that these clubs have contributed back to the park for 2009 and 2010 is "over" \$15,000.00.

These contributions have a big impact on keeping our quarterly maintenance fees down.

**Already in 2011...**the Bingo & Pancake Breakfast groups have purchased "2" new microwaves for our kitchen... Billiards has donated money toward a platform for the HD washer, and Bingo has just donated money toward the purchase of vines for the west end fence project.

The Board of Directors wishes to "thank" all ESC clubs/groups/activities that continue to provide us with wonderful entertainment and fun activities that contribute to our enjoyment at Enchanting Shores. Also a big thank you to all residents and renters who support these activities with their participation and how much this helps keep our park an active and healthy part of our well being. If anyone would like a complete list of the donations and purchases, please contact Carolyn Cobb. Please continue to support our clubs & activities.

## New ESC Residents' Directory.....

By Sue Carter

The 2011 Residents' Directory will be back from the printer around the first of March. We will post a notice on the easel when it arrives and when you can buy them in the Co-op office. Each directory is \$3.00 or 2 for \$5.00. This new bright fuchsia pink directory has at least 50% new data from the previous (bright green) version, so if you use one regularly, you should plan to purchase a new version.

Because of the new Florida law, we were not able to publish any data except name and ESC street address unless you signed a permission form and we have it on file.

## BLOOD DRIVE.....

The American Red Cross Blood Drive for 2011 was a great success, with 20 residents donating blood. We thank all who participated and are hopeful February 2012 will be as successful.

Thank you.

Elaine Lima and Cathy Loudin

## COMMUNITY SHARING.....

By Harry O'Donnell

The Leaders Sharing Club decided to restate the Mission Statement of the Club to make its purpose clear and encourage greater interest. At the same time, we felt a change in our name might attract more participation. The name was changed to the Community Sharing Club; the mission is as follows:

### Community Sharing Club Mission Statement

Add value to Enchanting Shores Co-Operative, Inc. (ESC) by fostering activities that share or originate ideas to improve ESC, entertain its members, renters, and guests, and improve the quality of life for all.

The purpose of the club is to provide a forum for interested members of the Co-op and to work as a team toward fulfilling our mission to make Enchanting Shores a better and more enjoyable community.

The next meeting of the Community Sharing Club will be on March 10, 2011, at 9:30 AM, in the Clubhouse MPR. Please join us. We will be discussing many ideas including the possibility of showing movies at the clubhouse next year.

## Please return.....Please return.....

The Black Case for the small ear microphones is missing. The ear microphones were previously missing and have been returned...but not the case. Please check your pockets and if found, feel free to drop it in the ESC Office mail slot or return it to me.

Thank you.....Becky Russell 775-2031

## FISH/BOAT CLUB.....FISH/BOAT CLUB.....

Bonnie Phillips, Secretary  
Dean Phillips, President

The January fish fry went really well. We sold a total of 522 tickets. We want to thank all the "volunteers" who helped with the fish fry and to all those people who purchased tickets and supported this project. Without all of you, this would not be as successful as it was.

Ron Hysell was elected Vice President and Bonnie Phillips was re-elected Secretary during the January meeting. Congratulations to you both.

During the February meeting, Pete Rapps, a charter boat captain from the Chokoloskee area, gave a presentation on fishing the backwaters. He gave some great ideas on types of lures to use; the best tides for catching certain species of fish; discussed some of the challenges of fishing caused by the cold weather we have had; and answered questions from the members. This was great information and everyone seemed to enjoy his talk.

Ron Klein is scheduling free Coast Guard boat inspections again this year.

If you wish to schedule an inspection or have questions regarding an inspection, contact Ron at 775-7599.

We will be having the March Awards Dinner Meeting on Thursday, March 10<sup>th</sup> at 5 p.m. This dinner is catered by Southern Accents and is for club members and their guests only. I would like to thank all those who donated money and items to sell at the yard sale and who volunteered their time pricing, setting up, working the day of the sale and cleaning up afterwards.

The yard sale held at Elwood and Barbara Clark's home on February 19th was a fundraiser to benefit N.A.M.E.D (National Association for Males with Eating Disorders, Inc.). It is a non-profit organization which offers support to males with eating disorders. N.A.M.E.D has a website at <http://www.NAMEDinc.org> and a toll-free helpline. Chris Clark lives in Naples and is founder and executive director of N.A.M.E.D.

Proceeds from the sale will be put towards designing and printing new brochures along with other needs. To contact Chris, call 775-1145 or e-mail him at [Chris@NAMEDinc.org](mailto:Chris@NAMEDinc.org).
