Letter from the Editor

Hello Everyone,

As most of you know I will be publishing the Shorelines this year. Maybe next year too, we'll see how it goes.

I wanted to give you some information about the new format for the Shorelines. The calendar will be in the form of two calendars. One will only be the seven days of the week that will list all the daily activities that we have week after week. The second calendar will feature the Special Events that are happening each month, like Dances, Luncheons, Entertainment, Ticket sales for various events, and information about those events including themes, headliners and Sponsorships. I am hoping that will make the calendars easier to read and have more room on the Special Event Calendar to highlight those events.

I will be kind of a no nonsense editor for this first edition but I'm sure that will change as I become more familiar with my new Microsoft Office 2019 (I was using 2011). I haven't had time to discover all it will do. The main thing I want to accomplish with this first edition is to get the information that I have so far, to you so that you will have it in hand in black and white for reference.

I have asked on our Facebook page that all announcements be sent to me by email or written for publication, by the fifteenth of the month prior to publication on the first of the next month, ie, Nov 15, for publication in the December Shorelines. That should give me ample time to have your announcements included. As I said you may email me your announcements, deliver to 13 Pearl Drive, or telephone: (606) 521 2044. I can take a statement over the phone, but you will be writing *articles* for publication yourselves.

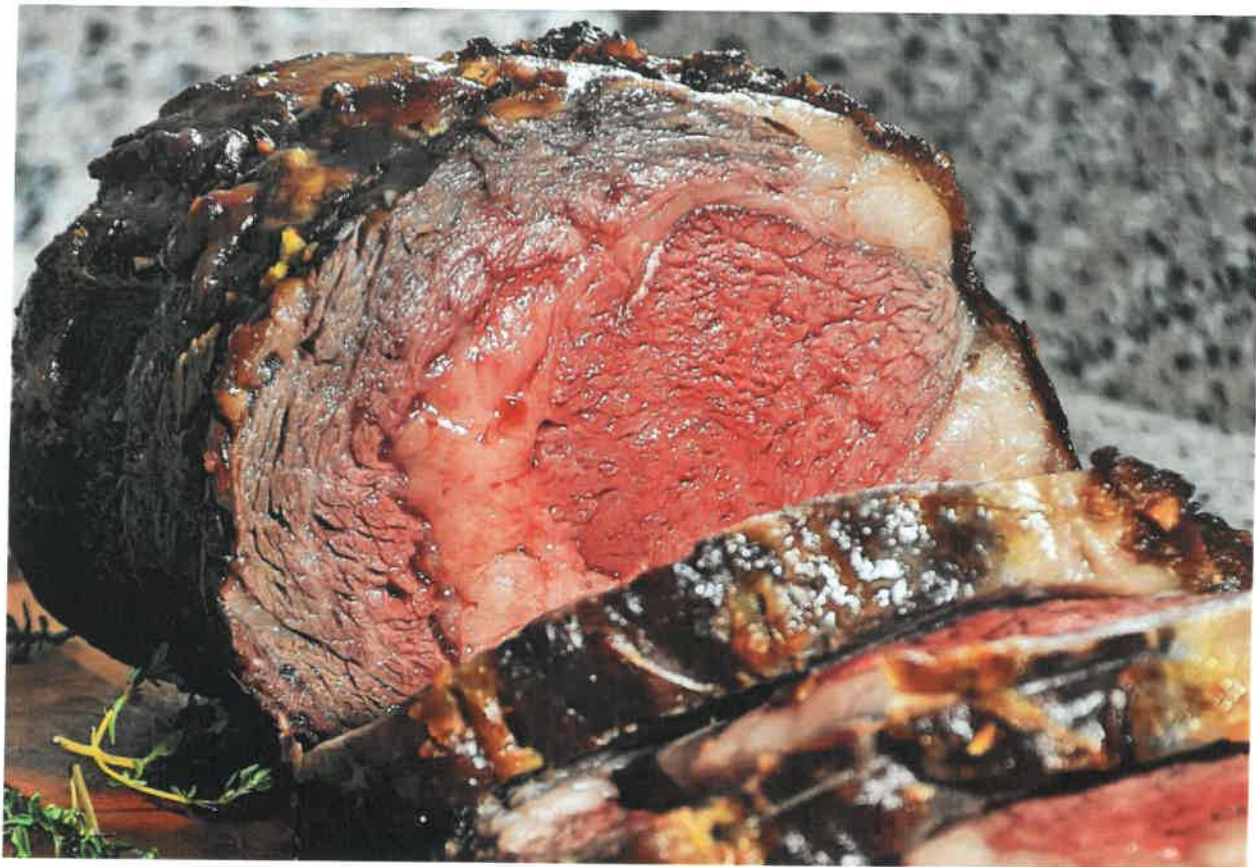

To put events on the calendar, you need to contact Charles. He is maintaining the calendar. I just print it. As I said articles or announcements need to come to me for the *Shorelines*.

Charles told me that we publish December, January, February and March.

This November Issue is a trial run. I'm looking for input from you all and constructive Criticism. Remember this is a trial run. I know up front that I can't please everyone, but I will try for a majority.

Thanks for your patience with this endeavor.

Paula Lacefield

Enchanting Shores Senior's Bowling League

It is time for us to plan for our 2020 ESC Bowling League sessions. A general meeting will be held on January 2, 2020 in the Multi-purpose Room (former Card Room) at 11:00 am. We encourage all current members and those who would like to join us to be at this first meeting. If you have a 4 member team set up, please attend and inform us. Our plans will be determined at that meeting.

Bowling will start on Wednesday, January 8, 2020 at the Bowland Beacon center, 5400 N. Tamiami Trail, Naples, FL. The direct cost for bowling next year will be \$10.20 per person. This is a dollar more than the previous year. We will need to determine the additional prize money to add to this cost.

This year we had 8 four member teams in the League. We could accommodate up to 12 teams. You do not have to be an ESC resident to be a member of the League, however, according to our by-laws, we need to provide preference to ESC residents first.

So we ask that you talk to family and friends and recruit those interested to bowl and become a member of the ESC Senior's Bowling League. Any questions or for those who would like to become a member, contact either of the following:

Lou Gnip, President (518) 944-0970.
