FROM THE ESC BOD SECRETARY

Shareholders,

The 2022 Annual Shareholders meeting will be held on Friday, February 11th at 9:30 am in the Clubhouse. Immediately following the board meeting will be the "Organizational" meeting. The 2nd mailing packets for the 2022 Annual Meeting have been mailed, so if you haven't received one yet, you will need to wait until the Annual meeting to vote if you are here at ESC. If you are not here at ESC, contact me regarding your packet. If you are heading up a club, please prepare a short introduction about your club that you can share with the Shareholders at the Annual meeting.

The voting will occur outside in the pool area. The pool will be closed to Shareholders until about noon time, (when the voting is completed). Shareholders should line up by the pool gate area and enter the area to vote only when told to by the gate keeper. Due to Covid, we are following the guidelines we used last year to keep Shareholders and those working the polls safe.

Thank you,

Lou Ann Piela - BOD Secretary

2022 ESC VARIETY SHOW CANCELLATION

This country has experienced the infectious Corona virus during the year 2020 and it was then determined at that time to cancel the ESC Variety Show for the year 2021. Well, here we currently are with year 2022 and the Omicron variant, even though not as lethal, is much more contagious with over 4.5 million people infected in Florida. We felt that having a variety show this year would provide needed entertainment after confinements resulting from the virus, however, the safety of our senior citizens of the ESC community is much more important. We have given consideration of this infectious virus and its effect on having large crowds, interaction of cast members, use of microphones, attendance/seating, and serious health concerns of our seniors which unfortunately has led us to our determination to cancel the 2022 ESC Variety Show for this year and plan to have the show for year 2023 with hope that the seriousness of this virus will subside by then.

We know the fun everyone has had in the past with developing a show for the entertainment of our ESC community, however, we all feel it is in the best interest for everyone to take necessary precautions this year and do all we can to avoid the spread of this infectious disease. The best to everyone, and hopefully we can get back to normal activity

Respectfully,

Rosemary Gnip, Variety Show Producer/Director
